RFP 1160 Question – page 30 of 63

On the referenced page under "Fiscal Review" reference is made to "70 points of the total available 100 points" and that same section makes mention of a "fiscal review evaluation". My question is the "fiscal review evaluation" and the referenced 100 points an altogether difference scoring mechanism or is it part of the points available that are detailed in RFP 1160? If it's the latter, is the 100 points accurate?

Response:

The Fiscal Review referenced in section 7.1 Compliance Review is separate from the uses a separate scoring mechanism. A minimum of 70 out of a 100 possible points (70%) on the Fiscal Evaluation is required for the proposal to be considered further.

Question on RFI 1160 - Page 52 of 63

On the referenced page it states the following, "**The Personnel Detail category does not include subcontracted professional services for staffing.**" The referenced personnel detail worksheet is found on page 50 of 63. In the case of this proposer all personnel costs are incurred via "subcontracted professional services or staffing". Would we shift those costs to "Programmatic Subcontract Costs" found on page 51 of 63?

Response:

Yes, all personnel costs incurred via subcontracted professional services or staffing should be included in the Programmatic Subcontract Costs section of the Budget Cost Detail on page 51 and on the Budget Cost Detail tab of the Budget Template Excel file.
